	[ae0f]	The heart rate section has a textfield for indicating the heart rate status	The heart rate section has a textfield for indicating the heart rate status	Passed		Passed	
[7199]	[45bc]	The heart rate section has a more info button	The heart rate section has a more info button	Passed		Passed	
[2db1]	[4008]	Check if the section dividers, texts and information button are in the color of the current heart rate	Check if the section dividers, texts and information button are in the color of the current heart rate	Passed		Passed	
[d5e8]	[32de]	Information dialog is displayed when clicked on more info button	Information dialog is displayed when clicked on more info button	Passed		Passed	
[acf5]	[ee88]	The heart rhythm section has a header indicating the section start	The heart rhythm section has a header indicating the section start	Passed		Passed	
[3035]	[8da0]	The heart rhythm section has 2 dividers	The heart rhythm section has 2 dividers	Passed		Passed	
	[c0a7]	The heart rhythm section dividers are in the color of the current heart rhythm indicator	The heart rhythm section dividers are in the color of the current heart rhythm indicator	Passed		Passed	
[ca82]	[b757]	Heart rhythm section displays a heart rhythm status textfield	Heart rhythm section displays a heart rhythm status textfield	Passed		Passed	
[b242]	[6992]	The heart rhythm section has a more info button	The heart rhythm section has a more info button	Passed		Passed	
[736f]	[6995]	Check if the section dividers, texts and information button are in the color of the current heart rhythm indicator	Check if the section dividers, texts and information button are in the color of the current heart rhythm indicator	Passed		Passed	
[dc4a]	[f4d3]	Information dialog is displayed when clicked on more info button	Information dialog is displayed when clicked on more info button	Passed		Passed	
[a80e]	[87c5]	The in progress section has a header indicating the section start	The in progress section has a header indicating the section start	Passed		Passed	
[c517]	[09f4]	The in progress section has 2 dividers	The in progress section has 2 dividers	Passed		Passed	
[e664]	[acdb]	In progress section displays a textfield with extra information about the status	In progress section displays a textfield with extra information about the status	Passed		Passed	
[dc46]	[92a8]	In progress section displays a gear icon in the middle	In progress section displays a gear icon in the middle	Passed		Passed	
[1f72]	[519c]	Check if the section dividers, texts and information button are in the color of the current heart rhythm indicator	Check if the section dividers, texts and information button are in the color of the current heart rhythm indicator	Passed		Passed	
[4d1f]	[a3d2]	Measurement details screen will render the measurement with the correct fields if a measurement is processed while open	Measurement details screen will render the measurement with the correct fields if a measurement is processed while open	Passed		Passed	
[2f04]	[8080]	A title with the text and color of the clicked status is displayed	A title with the text and color of the clicked status is displayed	Passed		Passed	
[a807]	[2cf5]	BPM is also displayed in the header if from heart rate	BPM is also displayed in the header if from heart rate	Passed		Passed	
[3ae5]	[584b]	A text is displayed at the bottom, indicating that this is not a diagnosis if a heart rhythm status is clicked from a not "measured" measurement	A text is displayed at the bottom, indicating that this is not a diagnosis if a heart rhythm status is clicked from a not "measured" measurement	Passed		Passed	
[f10b]	[d2af]	The Information dialog has a text containing more information about the clicked status	The Information dialog has a text containing more information about the clicked status	Passed		Passed	
[7fa5]	[352f]	Information dialog has a link to Mayo Clinic	Information dialog has a link to Mayo Clinic	Passed		Passed	
[41c3]	[cce0]	The symptom section displays a header indicating the section start	The symptom section displays a header indicating the section start	Passed		Passed	
[d59f]	[8f8c]	The symptom section displays tags for indicating the selected symptoms	The symptom section displays tags for indicating the selected symptoms	Passed		Passed	
[d24a]	[8f21]	Symptom tags are toggled if clicked	Symptom tags are toggled if clicked	Passed		Passed	

specification id	test case id	test case	test case description	test result (Xiaomi M15 On Android 6.0.1)	test result comment (Xiaomi M15 On Android 6.0.1)	test result (Huawei P7 on Android 5.1.1)	test result comment (Huawei P7 on Android 5.1.1)
[a231]	[1ad4]	All other symptoms are deselected when clicked on "No symptoms"	All other symptoms are deselected when clicked on "No symptoms"	Passed		Passed	
[f3ff]	[6bbd]	The mood section has a header indicating the section start	The mood section has a header indicating the section start	Passed		Passed	
[de08]	[e57b]	The mood section has a 5 emotions for indicating your mood	The mood section has a 5 emotions for indicating your mood	Passed		Passed	
[c5d0]	[2f5a]	The mood section displays stressed and not stress labels under the emotions	The mood section displays stressed and not stress labels under the emotions	Passed		Passed	
[57db]	[bbea]	A new mood is selected when clicked on an emotion	A new mood is selected when clicked on an emotion	Passed		Passed	
[6ccf]	[bc41]	The notes section displays a header indicating the section start	The notes section displays a header indicating the section start	Passed		Passed	
[c745]	[f74a]	The Notes section displays a list with comments	The Notes section displays a list with comments	Passed		Passed	
[d373]	[d2dc]	The Notes section displays a button to add a note	The Notes section displays a button to add a note	Passed		Passed	
[eafdf]	[19b8]	Each comment is divided by a dashed line	Each comment is divided by a dashed line	Passed		Passed	
[23b5]	[936f]	Your own comments display a trash can next to it	Your own comments display a trash can next to it	Passed		Passed	
[e4e6]	[4dce]	Each comment displays an hour as title if it was posted today	Each comment displays an hour as title if it was posted today	Passed		Passed	
[4de3]	[19a5]	Each comment displays a date as title if it was posted earlier than today	Each comment displays a date as title if it was posted earlier than today	Passed		Passed	
[2ae5]	[e02d]	An input dialog is displayed if clicked on the pencil icon	An input dialog is displayed if clicked on the pencil icon	Passed		Passed	
[eaa6]	[4224]	When no characters are entered, the submit button will be disabled	When no characters are entered, the submit button will be disabled	Passed		Passed	
	[eb69]	When more than 200 characters are entered, the submit button will be disabled	When more than 200 characters are entered, the submit button will be disabled	Passed		Passed	
	[c88d]	Add a comment	Add a comment	Passed		Passed	
	[dcfe]	A submitted comment should appear at the top of the comment section of the measurement details screen	A submitted comment should appear at the top of the comment section of the measurement details screen	Passed		Passed	
	[ad59]	A submitted comment should display the correct timestamp and message	A submitted comment should display the correct timestamp and message	Passed		Passed	
[8256]	[f7bd]	The comment is deleted when clicked on the trash can next to it	The comment is deleted when clicked on the trash can next to it	Passed		Passed	
	[5d8d]	The comment is deleted when swiped to the left or right	The comment is deleted when swiped to the left or right	Passed		Passed	
	[ce8b]	A confirmation message containing an UNDO button appears on the bottom of the screen when a comment is deleted	A confirmation message containing an UNDO button appears on the bottom of the screen when a comment is deleted	Passed		Passed	
	[d627]	A comment is restored when clicked on the UNDO button of the confirmation message	A comment is restored when clicked on the UNDO button of the confirmation message	Passed		Passed	
	[2f6f]	The comment doesn't swipe if it's not yours	The comment doesn't swipe if it's not yours	Passed		Passed	
[fee]	[2ad5]	Measurement overview screen displays a header containing the title and current date	Measurement overview screen displays a header containing the title and current date	Passed		Passed	
[a524]	[a149]	Measurement overview screen displays a circular button with a filter icon	Measurement overview screen displays a circular button with a filter icon	Passed		Passed	
[aa72]	[2a2c]	Measurement overview screen displays a graph on top of the screen	Measurement overview screen displays a graph on top of the screen	Passed		Passed	
	[6c4b]	The graph plots no more than 10 and no less than 2 heart rates	The graph plots no more than 10 and no less than 2 heart rates	Passed		Passed	
[8df8]	[b676]	Blue measurements are not plotted	Blue measurements are not plotted	Passed		Passed	
[998e]	[4699]	Measurement overview screen displays a list with all your measurements	Measurement overview screen displays a list with all your measurements	Passed		Passed	
[aa9]	[b769]	Measurement overview screen displays a message when there is no viewable measurements	Measurement overview screen displays a message when there is no viewable measurements	Passed		Passed	
[e7c5]	[d06a]	Normal, warning and quality measurements have a folder icon	Normal, warning and quality measurements have a folder icon	Passed		Passed	
	[9dd9]	Measured measurements have a sinus icon	Measured measurements have a sinus icon	Passed		Passed	
	[452c]	In progress measurements have a gears icon	In progress measurements have a gears icon	Passed		Passed	
	[662d]	Backlog measurements have synchronisation arrows as icon	Backlog measurements have synchronisation arrows as icon	Passed		Passed	
[a51b]	[384f]	Normal measurement has measurement's text, heart rate, heart icon and date in green	Normal measurement has measurement's text, heart rate, heart icon and date in green	Passed		Passed	
	[d545]	Warning measurement has measurement's text, heart rate, heart icon and date in orange	Warning measurement has measurement's text, heart rate, heart icon and date in orange	Passed		Passed	
	[45c5]	Quality measurement has measurement's text, heart rate, heart icon and date in blue	Quality measurement has measurement's text, heart rate, heart icon and date in blue	Passed		Passed	
	[c694]	In progress measurement has measurement's text, heart rate, heart icon and date in grey	In progress measurement has measurement's text, heart rate, heart icon and date in grey	Passed		Passed	
	[3b51]	Measured measurement has measurement's text, heart rate, heart icon and date in grey	Measured measurement has measurement's text, heart rate, heart icon and date in grey	Passed		Passed	
	[c35e]	Backlog measurement has measurement's text, heart rate, heart icon and date in grey	Backlog measurement has measurement's text, heart rate, heart icon and date in grey	Passed		Passed	
[7430]	[93af]	Backlogged measurements always appear on top	Backlogged measurements always appear on top	Passed		Passed	
[b401]	[4fc9]	The graph fades away when scrolling down	The graph fades away when scrolling down	Passed		Passed	
	[a063]	The graph fades back in when scrolling back to the top	The graph fades back in when scrolling back to the top	Passed		Passed	
	[4b3b]	The header moves to the top when scrolling down	The header moves to the top when scrolling down	Passed		Passed	
	[6d00]	The header moves back down when scrolling up	The header moves back down when scrolling up	Passed		Passed	
[9a5f]	[2829]	More measurements are loaded when scrolling down to last measurement loaded	More measurements are loaded when scrolling down to last measurement loaded	Passed		Passed	
[1beb]	[d1e5]	A list with all the indicators is displayed when clicked on the filter icon	A list with all the indicators is displayed when clicked on the filter icon	Passed		Passed	
[ceb3]	[a8cf]	The correct filter is applied to the measurement list when clicked on a filter item	The correct filter is applied to the measurement list when clicked on a filter item	Passed		Passed	
	[b007]	A message is displayed when there is no viewable measurements after a filter is applied	A message is displayed when there is no viewable measurements after a filter is applied	Passed		Passed	
	[07f4]	The filter is dismissed when pressing on the close icon at the bottom of the list	The filter list is dismissed when pressing on the close icon at the bottom of the list	Passed		Passed	
[d488]	[dadf]	The measurement details screen containing more information about the selected measurement is displayed when clicked on a measurement	The measurement details screen containing more information about the selected measurement is displayed when clicked on a measurement	Passed		Passed	
[ff14]	[51d4]	The notification screen displays a header with the title of the screen	The notification screen displays a header with the title of the screen	Passed		Passed	
	[00ce]	The notification screen displays a list with all your notifications	The notification screen displays a list with all your notifications	Passed		Passed	
	[21f2]	The notification screen displays a button at the bottom to mark all notifications as read	The notification screen displays a button at the bottom to mark all notifications as read	Passed		Passed	
[6e6e]	[7875]	A notification item displays a title	A notification item displays a title	Passed		Passed	
	[a313]	A notification item displays a date	A notification item displays a date	Passed		Passed	
	[93ae]	A notification item displays an associated icon	A notification item displays an associated icon	Passed		Passed	
[ae82]	[ac50]	Unread notifications have a green background	Unread notifications have a green background	Passed		Passed	
[09e1]	[b924]	The Notification screen displays a message when no notifications are available	The Notification screen displays a message when no notifications are available	Passed		Passed	
[3f1a]	[b78d]	More notifications are loaded when scrolling down to last notification loaded	More notifications are loaded when scrolling down to last notification loaded	Passed		Passed	
[c846]	[dcdf]	A selected unread notification will be marked as read	A selected unread notification will be marked as read	Passed		Passed	
[3951]	[270a]	A dialog is displayed containing the notification message body when clicked on a "message" notification	A dialog is displayed containing the notification message body when clicked on a "message" notification	Passed		Passed	
[e146]	[f385]	Measurement details screen of the corresponding measurement is displayed when clicked on "measurement reviewed" notification	Measurement details screen of the corresponding measurement is displayed when clicked on "measurement reviewed" notification	Passed		Passed	
	[bdcd]	A dialog is displayed when clicked on a "measurement reviewed" notification and no active internet connection is available	A dialog is displayed when clicked on a "measurement reviewed" notification and no active internet connection is available	Passed		Passed	
[1d30]	[3c0b]	Measurement details screen of the corresponding measurement is displayed when clicked on "comment added" notification	Measurement details screen of the corresponding measurement is displayed when clicked on "comment added" notification	Passed		Passed	
	[e8ba]	The displayed measurement is scrolled down to the comment section	The displayed measurement is scrolled down to the comment section	Passed		Passed	
	[8d1d]	A dialog is displayed when clicked on a "comment added" notification when no active internet connection is available	A dialog is displayed when clicked on a "comment added" notification when no active internet connection is available	Passed		Passed	
[da20]	[b830]	A browser is opened, resolving the corresponding link when clicked on a link notification	A browser is opened, resolving the corresponding link when clicked on a link notification	Passed		Passed	
[5f6f]	[15d6]	All the notifications are marked as read when clicked on the "mark all read" button	All the notifications are marked as read when clicked on the "mark all read" button	Passed		Passed	
[2964]	[2eeb]	Help screen displays a header containing the title	Help screen displays a header containing the title	Passed		Passed	
	[8737]	Help screen displays a correctly rendered list with all the main help items	Help screen displays a correctly rendered list with all the main help items	Passed		Passed	
[68da]	[ee81]	The eIFU are displayed when clicked on instructions for use	The eIFU are displayed when clicked on instructions for use	Passed		Passed	
[777f]	[ab63]	The FAQ screen is displayed when clicked on FAQ	The FAQ screen is displayed when clicked on FAQ	Passed		Passed	
[a852]	[174e]	The AF information screen is displayed when clicked on AF information	The AF information screen is displayed when clicked on AF information	Passed		Passed	
[0b6f]	[c6cf]	The Privacy Policy is displayed when clicked on privacy policy	The Privacy Policy is displayed when clicked on privacy policy	Passed		Passed	
[b18b]	[e98c]	The Terms and Conditions are displayed when clicked on Terms and Conditions	The Terms and Conditions are displayed when clicked on Terms and Conditions	Passed		Passed	
[67fe]	[0a8a]	The Contact screen, containing contact information is displayed when clicked on Contact	The Contact screen, containing contact information is displayed when clicked on Contact	Passed		Passed	
[a44b]	[8d41]	FAQ screen displays a header containing the title	FAQ screen displays a header containing the title	Passed		Passed	
	[32a6]	FAQ screen displays a correctly rendered list with all the frequently asked questions	FAQ screen displays a correctly rendered list with all the frequently asked questions	Passed		Passed	
[6329]	[08b0]	The correct answer is displayed when clicked on a question	The correct answer is displayed when clicked on a question	Passed		Passed	
[c250]	[5ccd]	Answer screen displays a header with the title	Answer screen displays a header with the title	Passed		Passed	
	[9362]	Answer screen displays the answer of the selected question	Answer screen displays the answer of the selected question	Passed		Passed	
[2089]	[a1db]	AF information screen displays a header containing the title	AF information screen displays a header containing the title	Passed		Passed	
	[c803]	AF information screen displays a correctly rendered list with informational topics about AF	AF information screen displays a correctly rendered list with informational topics about AF	Passed		Passed	
[115d]	[c456]	The correct topic is displayed when clicked on an AF information topic	The correct topic is displayed when clicked on an AF information topic	Passed		Passed	
[6b89]	[14af]	AF information topic screen displays a header with the title	AF information topic screen displays a header with the title	Passed		Passed	
	[8f65]	AF information topic screen displays a text containing information about the selected AF topic	AF information topic screen displays a text containing information about the selected AF topic	Passed		Passed	
[b0cc]	[0413]	My FibrCheck screen displays Measurements button	My FibrCheck screen displays Measurements button	Passed		Passed	
	[4e67]	My FibrCheck screen displays Notifications button	My FibrCheck screen displays Notifications button	Passed		Passed	
	[b3ee]	My Fybricheck screen displays a divider between the Measurements and Notification buttons	My Fybricheck screen displays a divider between the Measurements and Notification buttons	Passed		Passed	

specification id	test case id	test case	test case description	test result (Xiaomi M15 On Android 6.0.1)	test result comment (Xiaomi M15 On Android 6.0.1)	test result (Huawei P7 on Android 5.1.1)	test result comment (Huawei P7 on Android 5.1.1)
	[3f1e]	My FibrCheck screen displays a circle containing the number of unread notifications at the top of the Notifications button	My FibrCheck screen displays a circle containing the number of unread notifications at the top of the Notifications button	Passed		Passed	
[aa6d]	[27b2]	My FibrCheck screen displays profile image in a circle	My FibrCheck screen displays profile image in a circle	Passed		Passed
